Subject: Extension Request Granted, Geneva Rock Products, Inc., South Hansen Quarry, M/035/026, Salt Lake County, Utah

Dear Mr. Clyde:

On October 31, 2005 we received a letter requesting a two-week extension to furnish a response to the Division's request for a Large Mining Plan for your South Hansen Quarry. You have requested this extension because additional time was needed to complete the plan.

Given the extenuating circumstances, the Division hereby grants your two-week extension request. Please provide your response by November 14, 2005

Thank you for your continued cooperation.

Sincerely,

Susan M. White
Mining Program Coordinator
Minerals Regulatory Program
